United States Senate,  
Committee on Agriculture, Nutrition, and Forestry,

The Committee met, pursuant to notice, at 4:38 p.m.,  
Room S-216, The Capitol, Hon. Debbie Stabenow, Chairwoman of  
the Committee, presiding.

Leahy, Harkin, Nelson, Brown, Casey, Klobuchar, Roberts,  
Lugar, Cochran, Johanns, Boozman, Grassley, Thune, and  
Hoeven.

Chairwoman Stabenow. All right, seeing a quorum, I'd  
like to call a Business Meeting of the Senate Committee on  
Agriculture, Nutrition and Forestry.

If there are no objections, we will vote to report out  
of committee HR 872, a bill amending FIFRA and the Clean  
Water Act to clarify Congressional intent regarding the  
regulation of the use of pesticides in or near navigable  
waters and for other purposes.

Seeing no discussion, all those in favor, say aye.

[A chorus of ayes.]

Chairwoman Stabenow. Those opposed, nay.

Senator Leahy. No.

1           Chairwoman Stabenow. And Senator Leahy will be  
2 recorded as no.

3           Senator Leahy. Yes.

4           Chairwoman Stabenow. Others wishing to be recorded as  
5 no?

6           [No response.]

7           Chairwoman Stabenow. Thank you very much.

8           Let the record reflect that Senator Gillibrand, who is  
9 not present, votes no.

10          The meeting is adjourned.

11          [Whereupon, at 4:39 p.m., the committee was adjourned.]
